Empowering the Disabled

DON'T RUN AROUND FOR OBTAINING DISABILITY CERTIFICATE

Approach the nearest Government Doctor

As per relaxed procedure for obtaining the Medical Certificate in respect of obvious disabilities, a single Doctor at the level of Primary Health Centres (PHCs)/Government Medical Practitioners, Community Health Centres (CHCs) & Hospitals at the Sub Divisional Level may issue required certificate. But in case of non-obvious disability, a certificate can be issued by a specialist. In both the cases, the medical authorities have to be notified by the appropriate government.

Do you know that you can obtain benefit of our schemes only when you fulfil the basic criteria of disability (40% and above), age (18 to 60 years), and Income (Rs. 3 lakhs in Rural Areas / Rs. 5 lakhs in Urban Areas). The repayment period ranges from 5 years to 10 years.
