

New Year Address by CMD, National Divyangjan Finance and Development Corporation (NDFDC)

Dear NDFDC Family,

As we stand on the threshold of a new year, I am filled with immense pride and enthusiasm to address you all as the Chairman-cum-Managing Director of the National Divyangjan Finance and Development Corporation (NDFDC). Having taken over the reins on the 12th of April, 2023, I am grateful for the opportunity to lead this esteemed organization into a future of growth, inclusivity, and excellence.

Looking back on the past year, we have made strides in fulfilling our mission to empower persons with disabilities through financial support and development initiatives. However, with the dawn of the new year, we find ourselves facing new challenges and higher aspirations outlined in the Memorandum of Understanding (MoU) Targets for 2023-24.

The Department of Public Enterprises (DPE) has set the bar high for us, urging us to achieve an Excellent rating. This challenge, while daunting, presents an opportunity for us to showcase the dedication and capability that defines our organization. I have full confidence in our collective abilities to not only meet but exceed these expectations.

One of our key targets for the **financial year is to disburse at least 200 crores in financial assistance to Divyangjans**. However, I believe in setting ambitious goals that inspire us to reach greater heights. I urge every member of the NDFDC family to strive for excellence and work **towards achieving a disbursement target of Rs. 500 crores for the next financial year 2024-25**. This will not only demonstrate our commitment to our cause but also position us as a leader in our sector.

To accomplish these goals, I expect each employee to give their maximum output and dedicate themselves wholeheartedly to the Corporation. Our success lies in the collective efforts of a motivated and passionate team. Let us foster an environment of collaboration, innovation, and inclusivity, where every member feels valued and inspired to contribute their best.

As we embark on this journey together, I am optimistic that the NDFDC will emerge stronger, more resilient, and more impactful than ever before. Let the spirit of unity and determination guide us as we work towards making a meaningful difference in the lives of those we serve.

Wishing you all a Happy New Year filled with success, prosperity, and fulfillment.

Best Regards,

Jai Hind.
